Checkers' Linebacker Cable Management offers the most extensive line of high performance cable/hose protection products in the world. These durable cable protection systems provide a safer method of passage for pedestrian traffic, vehicles and heavy duty equipment while protecting valuable electrical cables, cords and hose lines from damage.

To fit the needs of a wide variety of applications, we offer lidded models, drop over models, open top models, and low profile models constructed from all-weather polyurethane. We also offer rubber duct models for light applications.

- **World's largest cable protector manufacturer**
- **Linebacker cable management systems are manufactured in the USA in Broomfield, CO**
- **We offer extensive accessories, such as ADA/DDA compliant access ramps, protector bridges, 45 & 90 turns and end caps**
- **Polyurethane construction is lighter and more durable than rubber imitations in extreme weather conditions**
- **Universal safety colors alerting all type of traffic to the product's presence**
- **Satisfies state and federal regulatory agencies**
- **Customized solutions, including logos molded into the product**
- **Multiple channel options so each cable and hose can have its own dedicated channel**
- **Non-conductive material insulates and protects cords/cable, as well as people**
